Hereinafter for the purposes of collective bargaining, staff holding the above titles who are not excluded pursuant to the following paragraph are referred to as "faculty," or "members," or "members of the bargaining unit."

ARTICLE 2 EXCLUSIONS

2.1 Members of the staff who hold the following titles are excluded from the bargaining unit: President, Vice President, Associate and Assistant Vice President, Assistant to the President, Assistant to the Vice President, Assistant to the Dean, Dean, Associate and Assistant Dean, Director, Associate Director, Assistant Director Agricultural Experiment Station, Special Assistant to the Director of Cooperative Extension, Associate Director, Assistant Director Cooperative Extension, Director of Office of Institutional Research, Research Associate for Institutional Research, Director of Institute of Materials Science, Director of Institute of Marine Sciences, Directors of Regional Campuses, Director of Alumni Affairs, Director of Athletics, Manager of the Auditorium, Director of Summer Sessions and Credit Extension, General Counsel of the University, Employees at NERAC, Faculty of the School of Medicine, Faculty of the School of Dental Medicine, Faculty of the School of Law, Faculty of E.O. Smith Secondary School, Graduate Students, Specialists other than those in the Division of Athletics and those who hold a faculty or research rank in addition to their Specialist title, and all other employees of the University.

2.2 The inclusion or exclusion in the faculty bargaining unit of new personnel classifications established by the University subsequent to the effective date of this agreement shall be preceded by discussion with the AAUP. Any impasse in this area shall be submitted to the State Labor Relations Board for resolution.

2.3 The exclusion of members from the faculty unit for the purpose of assuming confidential status shall be preceded by discussion with the AAUP. Any impasse in this area shall be submitted to the State Labor Relations Board for resolution.

ARTICLE 3 ACADEMIC FREEDOM

3.1 The Board of Trustees recognizes the paramount importance of academic freedom in an institution of higher education and reaffirms its continuing commitment to the principles of academic freedom and its protections described in The University of Connecticut *Laws and By-Laws*, 12th edition, revised (1985).

3.2 This article on academic freedom is a statement of intent and policy and is not subject to the Contractual Grievance Procedure.

ARTICLE 4 GOVERNANCE

4.1 Although the AAUP, as the elected bargaining agent, retains the exclusive right to negotiate and reach agreement on terms and conditions of employment for the members of the bargaining unit, and the Board of Trustees retains its rights, under law, to manage and direct the University, the parties recognize the necessity of a collegial governance system for faculty in areas of academic concern. It is mutually desirable that the collegial system of shared governance be maintained and strengthened so that faculty will have a mechanism and procedure, independent of the collective bargaining process, for making recommendations to appropriate administrative officials and to the Board of Trustees, and for resolving academic matters, through the organizational divisions of the University, the University Senate, the Administration and the Board of Trustees.

4.2 Collegiality in academic governance on each campus of the University of Connecticut can best be accomplished through the University Senate and the faculties of the schools and colleges. Appropriate matters of concern should be brought before the Senate or the several faculties by their members or by the President of the University or his/her representatives. Upon request of the

Senate, the President should transmit recommendations of the Senate to the Board of Trustees for their consideration.

4.3 This article on governance is a statement of intent and policy and is not subject to the Contractual Grievance Procedure.

ARTICLE 5 NONDISCRIMINATION

The Board and the AAUP agree that no faculty member or applicant for employment for a position within the bargaining unit shall be discriminated against because of race, color, creed, sex, age, national origin, marital status, political belief, political affiliation, physical disability unrelated to ability to perform professionally, or membership or nonmembership in any labor union.

ARTICLE 6 AFFIRMATIVE ACTION PLANS AND PROCEDURES

The parties are committed to the affirmative action goals of having greater numbers of women and minorities in University positions. The Administration and the AAUP will cooperate in carrying out the affirmative action program. Two representatives nominated by the AAUP shall be appointed to the Employees' Advisory Committee to the Office for Affirmative Action Programs.

ARTICLE 7 BOARD PREROGATIVES

7.1 It is recognized that the Board of Trustees has and will continue to retain, whether exercised or not, the sole right, responsibility or prerogative to make rules for the government of the University and shall determine the general policies of the University, including those concerning the admission of students and the establishment of schools, colleges, divisions, and departments, and

shall direct the expenditure of the University's funds within the amounts available, and shall fix fees for tuition and may make refunds of the same.

7.2 The Board of Trustees within available funds shall have sole jurisdiction over the selection, appointment, assignment of duties, amount of compensation, sick leave, vacation, leaves of absence, termination of service, rank, and status of the individual members of the professional staff of the University.

7.3 Said Board shall determine who constitutes the professional staff of the University and establish compensation and classification schedules for its professional staff.

7.4 These rights, responsibilities and prerogatives are not subject to delegation to the AAUP in full or in part except that the same shall not be exercised in a manner inconsistent with or in violation of any of the specific terms and provisions of this agreement. No action taken by the Board with respect to such rights, responsibilities, and prerogatives other than the specific provisions contained in this agreement shall be subject to the grievance provisions of this contract.

ARTICLE 8 MAINTENANCE OF PROCEDURES

8.1 The parties agree to maintain for the duration of the contract all procedures for the University not modified by the terms of this agreement governing, appointment, reappointment, nonreappointment, tenure, promotion, dismissal, termination, suspension, award of leaves of absence, grievances, and the determination of workloads as specified by the *Laws and By-Laws*, 12th edition, revised (1985), and the President's Memorandum.

dum dated 1986*, "Procedures regarding Tenure, Promotion, and Reappointment," together with PTR Form 7-1-86.

8.2 The parties agree further that the procedures of the University maintained by Section 8.1 above may be changed only by agreement of the Board of Trustees and the AAUP.

8.3 Nothing in this article shall be construed to deny the authority of the Board to establish or change policies through established processes, which shall include prior discussion with the AAUP.

ARTICLE 9 MEET AND DISCUSS

9.1 To assure the efficient and harmonious operation of the University, the parties agree to meet and discuss at least once a month any matters of official concern, including budget proposals and long-range planning, or matters relative to this agreement, arising during the life of this contract which require attention. The AAUP committee for the purpose shall consist of no more than five members. Agenda items shall be submitted by both parties at least one week in advance.

9.2 From time to time the President of the AAUP may feel that it is necessary to meet with the President of the University on noncontractual items. When such need arises, upon the request of the AAUP, a meeting at a mutually agreeable time will be held. It is understood by the parties that these meetings are not meant to replace the purpose of 9.1 above.

9.3 In the event the AAUP wishes to discuss issues related to collective bargaining with the

* The dates in this memorandum may be adjusted to reflect the calendars of succeeding years.

President, the AAUP will request such a meeting through the Assistant Vice President for Academic Affairs in charge of collective bargaining and provide an agenda of such meeting to that office at least one week in advance of the meeting. Except by mutual agreement, such meetings shall not be held more than once during each school semester.

9.4 Nothing in this article curbs the right of the Administration to meet with committees or individual faculty members to discuss such matters as the Administration desires with the exception of those items which are reserved, by statute, for negotiations with the bargaining agent.

ARTICLE 10

CONTRACTUAL GRIEVANCE PROCEDURE

10.1 The parties agree that all problems should be resolved whenever possible before the filing of a grievance, and encourage open communication between administrators and members, so that the formal grievance procedure will not normally be necessary.

10.2 **Definition** The term grievance shall mean a dispute concerning the interpretation or application of the terms or provisions of this agreement.

10.3 **Resort to Other Procedure** If prior to seeking resolution of dispute by filing a grievance under this contract, or while the grievance proceeding is in progress, a member seeks to resolve the matter in any other forum, whether administrative or judicial, the Board shall have no obligation to entertain or proceed with this grievance procedure.

10.4 Step 1

A. A member of the bargaining unit and a representative of the AAUP (if the employee so desires) shall first discuss the problem with the

University official against whom he/she is aggrieved. If a problem resolved in accordance with this paragraph is in the opinion of the Administration a grievance as defined herein, the Administration shall notify the AAUP in writing of the terms of the settlement.

B. If the matter is not satisfactorily adjusted within seven (7) calendar days, the member or the AAUP (if requested by the member) shall submit it in writing within fifteen (15) calendar days to the appropriate director or dean of the school or college or his/her designee for a satisfactory adjustment. The grievance should set forth the act or condition on which the grievance was based and identify the article(s) of the contract that is/are being aggrieved. After receiving the formal grievance the dean, director, or designee will meet with the aggrieved member within fifteen (15) calendar days after receiving the formal grievance and will give his/her decision in writing to the aggrieved within seven (7) calendar days of such meeting.

10.5 Optional Interim Step If the decision at Step 1 is against the aggrieved member, before appealing at Step 2, the member may if he/she so desires, within seven (7) calendar days of receiving the decision at Step 1, notify the Vice President for Academic Affairs that he/she wishes to appeal to a collegial panel of two members made up of one member from the faculty chosen by the AAUP and one administrator chosen by the Vice President for Academic Affairs. The panel shall be established and render its decision within fifteen (15) days from notification of the Vice President. If the decision of this panel is unanimous, it shall be final and binding and not appealable by either party. If the award is not unanimous, the grievance will immediately go to Step 2 below.

10.6 Step 2 Failing satisfactory settlement within the above time limits, the aggrieved mem-

ber of the AAUP may, within seven (7) calendar days, appeal in writing to the Vice President for Academic Affairs or his/her designee. The Vice President for Academic Affairs or the designee shall meet with the member and an AAUP representative within fifteen (15) calendar days from receiving the member's appeal and shall give a decision in writing to the member and the AAUP within seven (7) calendar days of such meeting. The AAUP shall be notified and allowed to participate through Step 2.

10.7 Step 3 If the grievance has not been satisfactorily resolved at Step 2, the AAUP, upon request of the grievant, may proceed to arbitration. Notice of intent to proceed to arbitration must be filed with the Vice President for Academic Affairs or his/her designee within fifteen (15) calendar days after receipt of the Step 2 decision and must be signed by the grievant and the AAUP President or representative. (The filing of a notice to proceed to arbitration shall constitute a waiver of rights to alternative or *de novo* judicial consideration.) The terms of the agreement which are involved shall be identified in the submission. The grievance may be withdrawn at any time by the grievant or by the AAUP representative at any point during Step 3.

10.8 Selection of Arbitrator The parties shall follow either the American Arbitration Association or the Connecticut Board of Mediation and Arbitration procedure for the selection of an arbitrator, unless the parties mutually agree on an arbitrator within five (5) calendar days of filing the notice. In cases of disagreement in selecting either the AAA or the CBMA procedure, the AAUP shall have the initial choice and alternate options in contested selections thereafter.

10.9 Authority of the Arbitrator The arbitrator shall hear and decide only one (1) grievance in each case. The arbitrator shall neither add to,

subtract from, modify or alter the terms and provisions of this agreement. Arbitration shall be confined solely to the application and/or interpretation of this agreement and the precise issues submitted for arbitration. The arbitrator shall have no authority to determine any other issues. The arbitrator shall refrain from issuing any statements of opinion or conclusions not essential to determining the issues submitted. The decision of the arbitrator shall be final and binding subject to statutory provisions.

10.10 Fees and expenses of the arbitrator shall be borne equally by the Board and the AAUP.

10.11 General Provisions

A. Except for grievances arising under 25.6 (which shall be dealt with in accordance with 25.6) any grievance as defined above not presented for disposition in writing within 37 days of the occurrence giving rise thereto shall not thereafter be considered a grievance under the agreement. Failure at any step of this procedure to appeal a decision within the specified time limits shall be considered acceptance by the aggrieved of the decision rendered and such decision shall thereafter be binding upon the aggrieved and the AAUP. Failure to the Administration to respond to any grievance during the time limits specified at any step shall allow the grievant or the AAUP to proceed to the next step. The time limits specified at any step may be extended in any particular instance by agreement between the appropriate administrator outside the bargaining unit and the AAUP.

B. No member may file for arbitration except with the approval and participation of the AAUP.

C. Meetings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity to attend for all persons proper to be present. When such meetings are held during school hours, all persons who participate shall be excused without loss of pay for that purpose. Persons proper to attend for

the purposes of this section are defined as aggrieved members, their appropriate AAUP representative(s) and qualified witnesses.

D. Matters of policy are not subject to the arbitration clause of the grievance procedure.

E. No complaint informally resolved or grievance resolved at either Step 1 or Step 2 shall constitute a precedent for any purpose unless agreed to in writing by the Vice President for Academic Affairs or his/her representative and the AAUP acting through its President or representative.

F. The AAUP on behalf of a bargaining unit member, a group of bargaining unit members or on behalf of itself may initiate any contractual grievance at Step 2 of the grievance procedure.

G. Grievances involving the Board of Trustees' *Laws and By-Laws*, 12th edition, revised (1985), and policies are appealable to the Board as the final step and are not subject to the above grievance procedure and arbitration.

ARTICLE 11

ADDITIONS TO THE BY-LAWS GRIEVANCE PROCEDURE

11.1 Except for disciplinary grievances (which are grievable under Article 27), for grievances arising out of the application or interpretation of the *Laws and By-Laws*, 12th edition, revised (1985), and policies of the University, the grievance procedures set forth in said document shall be followed. Prior to the first step of the grievance procedure, an informal conference shall be held between the faculty member who alleges he/she is aggrieved and the appropriate administrator to discuss the alleged grievance. The faculty member, if he/she desires, may be accompanied by a representative of the AAUP.

11.2 Within seven (7) calendar days of the meeting, the administrator shall provide in writing his/her answer to the faculty member. A copy of this answer shall be given to the AAUP.

11.3 If the faculty member still feels aggrieved, he/she shall file within fifteen (15) calendar days of receipt of such answer a written grievance in conformity with the grievance procedure in the University *Laws and By-Laws*, 12th edition, revised (1985). Settlements made under such grievance procedure dealing with terms and conditions of employment shall be consistent with the provisions of this Agreement and shall be reported to the AAUP.

ARTICLE 12 PERSONNEL FILES

12.1 For the purposes of this article personnel file shall mean any file, including the PTR file, which may be used in evaluating the performance of any employee.

12.2 Only those materials contained in the departmental file shall be used to support personnel actions at the departmental level. Nothing in this article shall preclude the maintenance of other personnel files. In the presence of a staff member, and at a time convenient to both parties, a faculty member shall have access to his/her personnel files, or PTR files at all levels. The only others who shall have access to such files are:

A. Administrators and faculty members on official business and;

B. AAUP representatives with the consent of the faculty member.

12.3 A faculty member may at any time obtain a copy of material in the files, for which the faculty member may be charged at cost. If requested, copies shall be authenticated by an appropriate administrator.

12.4 No anonymous material shall be included in a personnel file.

12.5 An employee may log the contents of his/her personnel file, listing items and dates, in the presence of his/her department head. Both the employee and the department head shall sign the log and retain a copy for their files. At the request of the employee, and at a time agreeable to the department head, such a log may be updated. Completeness of the file shall be the responsibility of the employee.

12.6 Each member of the unit shall be entitled to include in the file his/her rebuttal of any statement therein contained.

12.7 An employee may petition the Dean of his/her school or college to remove any material from his/her personnel file added after July 1, 1977 which the employee can prove is factually in error. The factual validity of materials included in the PTR file shall be subject to challenge solely within the PTR process itself.

ARTICLE 13 MEMBERS OF THE UNIT NOT IN A TENURE TRACK

13.1 This article pertains to employees in the following titles: Academic Assistant,* Extension Professor, Associate Extension Professor, Assistant Extension Professor, Extension Instructor, Special Internal Title (Lecturer I, II, III in Speech Pathology and Audiology), Specialist IA, IIA, IIIA, IVA.

13.2 Probationary Period for Staff Not in a Tenure Track

A. Effective July 1, 1981, new *staff* not in a tenure track shall serve a one-year probationary period. In the event the probationary employee is dismissed before the end of his/her probationary

* Academic Assistant is a title applicable to those who were formerly Research Assistants and Research Associates funded from other than grants or contracts.

period, he/she shall receive one month's notice or pay in lieu thereof.

B. Following the completion of the probationary year, staff not in tenure track shall be eligible for one-year appointments up to a maximum of five (5) such year-long appointments. Beginning the seventh (7) year, staff shall be eligible for a five-year appointment. Commencing with the first five-year appointment, nonrenewal shall be grievable according to the procedures and standards of dismissal for cause.

C. In no case shall either the dismissal of the staff member during his/her probationary period or the noncontinuation of the staff member upon the completion of his/her probationary period be grievable under any article of this agreement or under the *Laws and By-Laws* of the University.

13.3 Evaluation System The parties agree that the purpose of an evaluation system is to improve the quality of job performance.

13.4 Evaluation Procedures

I. A. All formal evaluations to be used in recommending salary increases, continuing a probationary employee or invoking disciplinary action shall be in writing.

B. Written evaluations shall be shared with the staff member within fourteen (14) calendar days of the time they are completed. The staff member shall sign the evaluation solely for the purpose of showing that he/she has read it and shall be given a copy for his/her records.

C. An employee shall have the right to append to his/her evaluation a written statement incorporating his/her agreement or disagreement with the evaluation.

II. For the purposes of promotion and reappointment only, with the concurrence of the Dean, Department Heads who wish to, may use some or all the PTR procedures for staff not on tenure track. Staff not on tenure track who are evaluated for promotion and reappointment by means of some or all levels of the PTR procedures do so

with the understanding that such procedures do not lead to tenure. Neither the employee nor the union may grieve an initial decision in regard to which steps of the PTR process shall be used. The employee shall be informed in advance which steps of the PTR process shall be used. Failure to conform to the procedural steps selected is subject to grievance on procedural grounds only.

13.5 Notice of Termination In the event of financial exigency or reduction or discontinuance of a program or department, staff not in tenure-track positions shall be entitled to notice of termination or salary in lieu thereof according to the following schedule:

Probationary employees will receive one month's notice;

After one year of nonprobationary employment: three months' notice;

After two years of nonprobationary employment: six months' notice;

After receiving a five-year contract as described in 13.2 (B): twelve months' notice.

Dismissal for cause is not subject to the above schedule.

13.6 The following applies only to sports which hire both head coaches and assistant coaches and substitutes for section 13.2 and 13.5 of Article 13 which would no longer apply to head coaches and assistant coaches:

A. Head coaches and assistant coaches may be hired and/or renewed for multiple year contracts. However, in no case may an assistant coach be hired or renewed for a term longer than the head coach in his/her sport.

B. In those instances where a head coach has a five-year appointment, the assistant coaches in that sport may be appointed to varying employment terms which coincide with the employment term of the head coach. When a head coach leaves for any reason before the end of his/her contract, assistant coaches may be terminated. If the decision is to terminate the assistant coach(es), he/she shall continue to be employed until the end

of the academic year (June 30) or receive six months' notice (or salary in lieu thereof), whichever is longer.

13.7 Dismissal for Just Cause (This section is applicable to nonprobationary employees only):

The parties wish to encourage open communication between administrators and faculty and agree that whenever possible, problems should be resolved informally before these procedures are initiated.

The parties agree that, except for serious misconduct, dismissal should occur only as the final step in a progressive disciplinary system and each instance of misconduct shall be judged solely on its own factual situation.

For nontenure-track staff who have completed their one-year probationary period, dismissal or discipline which is the result of incompetence, or failure to meet satisfactory standards of job performance, or failure to meet continuing educational requirements, or to fulfill professional commitments shall not fall within the purview of this article, but shall be dealt with exclusively under the University *By-Laws*.

A. Discipline shall be for just cause such as:

1. neglect of assigned responsibilities;
2. insubordination or noncompliance with the University *Laws and By-Laws*. Noncompliance with the Code of Ethics for Public Officials (Chapter 10 of the Conn. Statutes) or with University, State, or Federal Regulations governing research;
3. the use of fraud, collusion, concealment, or misrepresentation of a fact material to obtaining employment with the University and/or obtaining tenure, promotion, salary increase or other benefit;
4. sexual harassment or other conduct which impairs the rights of students or other staff members.

B. Procedures to be followed for written warnings, reprimands, dismissal, demotion in rank and/or salary, or suspension without pay.

1. The staff member shall receive in writing a statement of the reasons for the action being recommended.

2. Within seven (7) calendar days of receiving the written statement (B.1), the staff member may request a hearing before his/her Dean or Director or designee with an AAUP representative present, should the staff member so desire. This hearing shall be held within seven (7) calendar days of the employee's request.

3. Within seven (7) calendar days of receiving the recommendation in B.2 above, the staff member shall have the right to appeal to the Vice President for Academic Affairs or his/her designee. At such appellate hearing, the staff member shall have the right to be represented by the AAUP.

4. The decision of the Vice President or designee may be appealed to arbitration on the merits under Article 10 of this agreement. Warnings, reprimands, and other less severe discipline shall be grievable through steps B.2 and B.3 above but shall not be grievable to arbitration.

C. 1. If the University judges that the grounds for dismissal or discipline require the immediate suspension of the staff member, the suspension shall be with pay until the hearings described in B.2 and B.3 above have taken place.

2. In the event the discipline involves the loss of salary and the decision is appealed to arbitration, the salary shall not be withheld until after the arbitration decision or four (4) months from the initiation of the discipline at B.4, whichever is sooner.

D. The procedures outlined above for discipline or dismissal for misconduct supersede Sections XV, E, F, G, H, Q and R of the 1985 edition of the *Laws and By-Laws*.

E. The parties agree that whenever the PTR procedures are used for promotion and/or reappointment for employees not in tenure track (13.4.II) they should not be used to deal

with issues of misconduct which are more appropriately dealt with under the disciplinary procedures. In no case shall the outcome of the PTR (promotion, tenure, or reappointment) process be construed as falling under this Article.

13.8 In cases where the nonprobationary staff member claims that his/her procedural rights under 13.4 and 13.5 of this article have been violated, the final decision may be appealed only on procedural grounds under the terms of Article 10 of this agreement.

ARTICLE 14

REDUCTION OF STAFF FOR DISCONTINUANCE OF PROGRAMS AND FINANCIAL EXIGENCY

14.1 Whenever the discontinuance of faculty is contemplated for reasons consonant with the long range educational mission of the University or for what the Administration believes to be a bona fide financial exigency, the procedures below shall be followed.

14.2 Should the Administration determine that the fiscal position of the University has deteriorated to an extent which warrants informing the Board of Trustees of a financial exigency which may require a reduction in the faculty, the Administration shall notify the AAUP promptly.

14.3 At a time mutually agreeable to both parties, but in no case less than five days before presentation to the Board of Trustees, a meeting shall be held between the President of the University and the appropriate Vice President(s) and the AAUP for the purpose of reviewing the entire budgetary outlook of the University. The President and the appropriate Vice President(s) shall document the financial position of the University and its reasons for its declaration to the AAUP along with recommendations for alleviating the situation.

14.4 At that or a subsequent meeting, but prior to the meeting with the Board, the AAUP

may present to the Vice President(s) its own recommendations for resolving the exigency, in the hope that the recommendations given to the Board are the joint recommendations of the parties.

14.5 In the event that the Administration wishes to present to the Board recommendations with which the AAUP does not concur, the AAUP shall be allowed to present to the Board or the appropriate committee of the Board its own recommendations prior to the time when the Board is to determine what course of action it shall take.

14.6 If the course of action adopted by the Board requires discontinuation or consolidation of existing programs with the resultant elimination of faculty, the Vice President for Academic Affairs, the AAUP, the Deans of the affected schools, the Head(s) of the affected department(s) and a faculty representative chosen by the Senate Executive Committee shall meet to identify faculty whose termination is to be recommended to the President. In the course of such discussions regarding which faculty shall be terminated, the participants shall take into consideration, and where possible recommend, such things as shared or reduced load with proportionate reduction in salary, administrative assignment, the feasibility of early retirement, and the possibility of reassigning the faculty member, provided he/she is suitably qualified, to another unit of higher education.

14.7 The following criteria shall apply to the identification of faculty whose termination is to be recommended:

A. Except where demonstrable and serious distortion of an academic program would result, nontenured faculty in an affected program will be terminated before any tenured faculty member is terminated.

B. In identifying tenured faculty whose termination is to be recommended, the following shall be taken into account: the academic needs

of the affected program(s); the merit of the affected faculty as attested by peer reviews of scholarship, teaching, and service; the age and length of service of the affected faculty; the Affirmative Action aims of the University.

C. In all cases requiring the termination of faculty, primary consideration shall be given to the University's responsibility to offer an appropriate range of courses and programs.

14.8 The following procedure shall govern the case of any faculty member whose termination is recommended to the President:

A. Prompt notice of the recommendation to terminate will be given.

B. The faculty member given such notice shall have the right to a hearing under the grievance procedure specified in Article XV.Q. of the University of Connecticut *Laws and By-Laws*, 12th edition, revised (1985).

14.9 If because of financial exigency the University terminates appointments, it will not at the same time make new appointments in the same department except where a serious distortion in a program of the University would otherwise result.

14.10 In all cases of termination because of financial exigency or program discontinuance the place of the faculty member concerned will not be filled by a replacement within a period of two (2) years.

14.11 A. During a period of two (2) years from the date of termination, the terminated faculty member shall be offered reemployment in the same position should the position be restored. 16.3 The Administration shall notify the AAUP at least monthly of changes in the status of members of the bargaining unit.

16.4 The AAUP may use the campus mails under the policy for registered organizations; specifically, it shall: pay a rate that reflects the real cost; not interfere with other official University obligations; make sure all material is accompanied by a statement that it is not an official publication of the University and that it is paid for by the AAUP.

16.8 Upon election/selection of the AAUP officials, but in no case later than May 15 of each calendar year, AAUP will provide the Assistant Vice President for Academic Affairs in charge of collective bargaining a list of individuals who may request workload reduction under this section. The AAUP shall be notified when such a situation exists.

17.5 The University shall continue its practice of payroll deductions as authorized by employees for purposes in addition to payment of AAUP dues or agency service fee provided any such payroll deduction has been approved by the state in advance.

17.6 In the event any agency or court orders the employer to rebate to employees the service fee or any portion thereof deducted under this Article or awards any damages, the Union agrees to hold the employer harmless by returning the fee and paying the damages, provided that this shall not take effect until any appeal has been exhausted. However, with regard to any costs to the University which arise out of a challenge to this Article, the Union shall save the University harm-

C. The total amount of the contingency funds of both the President/Vice President for Academic Affairs and the Deans shall not exceed 30% of the merit pool.

D. By means of a procedure approved by a majority of the faculty, departments may establish advisory committees for making recommendations for merit awards to the department head. Such committees may also present merit evaluations without mention of a dollar amount to the Dean for his/her consideration in determining the department head's merit award.

This section below does not go into effect until the fall semester of 1986.

In departmentalized schools each department may establish, by a majority vote, the criteria and also may establish priorities or the appropriate weighting of such criteria, that will be used to determine the departmental merit recommendations. In the event a department decides

J. Within two weeks of making his/her recommendations to the Vice President, the office of the Dean shall compile and make available to the departments an abstract of merit awards. Such an abstract will give the number of people receiving a given range of award within the school and/or no award.

25.4 Once they become effective, the University will provide AAUP a summary of merit awards by fund and by individual.

25.5 Judgments and decisions of the Vice President for Academic Affairs which result in a decrease of more than 50% in the department head's recommendations are subject to the grievance procedure described below only where there is evidence alleging that the decrease was arbitrary or capricious.

25.6 Merit Grievance Panel

For the purpose of hearing merit grievances, an internal merit grievance panel shall be convened made up of one member of the administration chosen by the Vice President for Academic Affairs, one member of the faculty chosen by AAUP, and a neutral party chosen by the first two individuals. The panel may either uphold or dismiss the grievance. In a case where the panel upholds the grievance, it shall recommend an appropriate merit award; however, in no case shall the panel award more than the department head had originally proposed. The decision of the panel is final and is not grievable or arbitrable. ARTICLE 27

DISCIPLINE FOR TENURED AND/OR TENURE-TRACK FACULTY

The parties wish to encourage open communication between administrators and faculty and agree that whenever possible problems should be resolved informally before these procedures are initiated. The parties agree that this Article shall not be used to restrain faculty members in the exercise of their academic freedom or their rights as citizens.

The parties agree that, except for serious misconduct, dismissal should occur only as the final step in a progressive disciplinary system and each instance of misconduct shall be judged solely on its own factual situation.

For tenured or tenure-track faculty dismissal or discipline which is the result of incompetence, or failure to meet satisfactory standards of job performance, or failure to meet continuing educational requirements, or to fulfill professional commitments shall not fall within the purview of this Article, but shall be dealt with exclusively under the University *By-Laws*.

A. Discipline shall be for just cause such as:

1. neglect of assigned responsibilities;
2. insubordination or noncompliances with University *Laws and By-Laws* which relate to faculty. Noncompliance with the Code of Ethics for Public Officials (Chapter 10 of the Connecticut General Statutes) or with University, State or Federal regulations governing research;

4. sexual harassment or other conduct which impairs the rights of students or other staff members.

B. Procedures to be followed for written warnings, reprimands, dismissal, demotion in rank and/or salary, or suspension without pay.

1. Within seven (7) calendar days of receiving the written statement (B.1), the faculty member may request a hearing before his/her Dean or Director or designee with an AAUP representative present, should the faculty member so desire. 2. Within seven (7) calendar days of receiving the recommendation in B.2 above, the staff member shall have the right to appeal to the Vice President for Academic Affairs or his/her designee. At such appellate hearing, the staff member shall have the right to be represented by the AAUP.

3. The decision of the Vice President or designee may be appealed to arbitration on the merits under Article 10 of this agreement. Warnings, reprimands and other less severe discipline shall be grievable through steps B.2 and B.3 above but shall not be grievable to arbitration.

C. 1. If the University judges that the grounds for dismissal or discipline require the immediate suspension of the faculty member, the suspension shall be with pay until the hearings described in B.2 and B.3 above have taken place.

2. In the event the discipline involves the loss of or reduction in salary, the salary shall not be withheld until after the arbitration decision or four (4) months from the initiation of the discipline at B.4, whichever is sooner.

D. For cases involving discipline or dismissal for misconduct, the procedures outlined above supersede Section XV. E, F, G, H and Q of the 1985 edition of the *Laws and By-Laws*.

E. The parties agree that the PTR procedures should not be used to deal with issues of misconduct which are more appropriately dealt with under the disciplinary procedures. In no case shall the outcome of the PTR (promotion, tenure, or reappointment) process be construed as falling

under this Article.

ARTICLE 28

FLEXIBLE ASSIGNMENT POLICY

Option I and II of this section are available only to tenured and nontenure track faculty (as defined in Article 13) who have completed more than ten (10) years of service with the University of Connecticut. The options are mutually exclusive, i.e. an employee taking advantage of one shall not be eligible for the other. To be eligible for either option a faculty member must be eligible to retire under the Connecticut State or alternate retirement system, whether or not he/she is interested in pursuing other career opportunities.

Option I:

If a faculty member who is under age 70:

a. notifies the University by July 1, 1988, of his/her resignation effective no later than July 1, 1991

b. and he/she is physically able to carry out professional duties, he/she shall be guaranteed the following:

1. entitlement to teach two courses during the academic year on the special payroll at a minimum rate of \$3,000 per course for five years or until age 70, whichever comes first.

2. work or office space

3. faculty parking privileges

4. competitive access to the Professional Development Fund and the Research Foundation.

5. children of members resigning or retiring before July 1, 1988 shall continue to be eligible for tuition waiver under 19 II (p. 32) while the faculty member teaches on the special payroll.

Each year of the agreement up to \$100,000 shall be available to fund activities listed in "1" above. Once these funds are depleted, the University cannot guarantee new entrants into the program.

Option II:

Alternatively, a faculty member who is under age 70,

and who notifies the University by July 1, 1988, of his/her resignation effective no later than December 31, 1991, shall be entitled to four months leave or salary immediately preceding the effective date of the resignation.

This policy in no way shall contravene or supersede the Connecticut State Employees Retirement Statute.

ARTICLE 29 DURATION OF AGREEMENT

29.1 This agreement shall be in full force and effect from July 1, 1986 through June 30, 1989.

29.2 The AAUP or the Board may give notice to the other party by January 31, 1989 of its desire to negotiate a successor agreement. The other party agrees to meet for the purpose of such negotiations within ten (10) days thereafter.

29.3 The parties may, by mutual agreement, extend the life of this agreement beyond its expiration date for a period not to exceed one year.

MEMORANDA OF AGREEMENT

All prior memoranda of agreement in the 1984-1986 collective bargaining contract are null and void except for the following:

MEMORANDUM OF AGREEMENT No. 1

Up to \$30,000 (all funds) of the 1987, 1988, and 1989 merit pools shall be used for increases in base salary which result from promotions in rank. The following schedule shall be used for increases into the ranks below:

Instructor*	\$300
Assistant Professor*	\$400
Associate Professor*	\$500
Professor*	\$600

*And other ranks within the same salary scale as listed in the September 1977 salary schedule for professional staff. An award for promotion in rank does not preclude the possibility of a merit award. Awards for promotion in rank are to be considered separately from merit awards.

MEMORANDUM OF AGREEMENT No. 2

Each year of the contract a General Fund pool of \$100,000 shall be allocated to the Vice President for Academic Affairs for making increases in base salary as he/she sees fit in order to retain faculty in the face of market competition, or to award increases on the basis of achievement or equity. Neither the allocation of the fund nor the individual awards made under it are grievable or arbitrable in any way.

The University shall provide the AAUP with a list of employees who receive increases from these sources along with the reasons in each instance.

MEMORANDUM OF AGREEMENT No. 3

In the event that a vote in favor of tenure for a faculty member by a departmental PTR committee, a Dean's Advisory Council and the Faculty Review Board are all overturned by the Vice President for Academic Affairs/President of the University and the faculty member has evidence that the Vice President's decision may have been arbitrary and capricious, the Vice President's/President's decision may be appealed to a Select Committee chosen by the Senate Executive Committee. The Senate Executive Committee shall nominate nine (9) tenured members of the faculty to serve on the committee and the University and the AAUP may each strike two (2) names from the list of nominees. In the event that more than five (5) names remain after the completion of the process, the Senate Executive Committee shall designate five (5) persons to serve as the Select Committee.

If the five-member Select Committee finds, after hearing the evidence from each side, that arbitrary and capricious action was, in fact, the basis for the Vice President's decision, the aggrieved faculty member shall be recommended for tenure through the President to the Board of Trustees.

MEMORANDUM OF AGREEMENT No. 4

The *Laws and By-Laws*, 12th edition, revised (1985), Section XV.C. through Q, pp. 16-27 concerning academic tenure apply to tenured and tenure-track faculty in Agricultural Extension.

The study group shall report its findings to the Dean by December 30, 1986.

MEMORANDUM OF AGREEMENT No. 7

The parties agree that should the State of Connecticut extend additional benefits to its employees as a result of the current negotiations concerning the distribution of savings achieved through The Labor/Management Health Care Cost Containment Committee, those additional benefits will be made available to the employees covered by this contract as soon as possible.

MEMORANDUM OF AGREEMENT No. 8
